

# Speak Life Over Your Next Decade

# **Speak life over your next decade.**

We've crossed over into 2020! It's the start of a new decade, and what better way to celebrate as a community, than praying and declaring life over it? We hope you find this simple resource helpful to partner with heaven in this new era of your life. Feel free to share this with your friends too!

# Inspired Word

Arrange a date with God. As you settle in, ask Him for scriptural promises for the next decade. Spend some time praying into them:

## **Yourself**

Scripture:

He says:

## **Your Family**

Scripture:

He says:

## **Your City**

Scripture:

He says:

# Dreaming with God

Choose an inspiring and creative space. Turn your affection towards God, and recognize His presence with you. Start having a conversation with Him about both of your dreams for the next decade. Here's some prompts to get you started:

\_\_\_\_\_ will experience revival

\_\_\_\_\_ will have an encounter with God

\_\_\_\_\_ will get saved

I will see a breakthrough in my \_\_\_\_\_

I will conquer my fear of \_\_\_\_\_

I will try a new thing \_\_\_\_\_

I will reach out to \_\_\_\_\_

I will finally throw out \_\_\_\_\_

I will preach about \_\_\_\_\_

I will see \_\_\_\_\_ salvations

I will see \_\_\_\_\_ miracles

I will be working at \_\_\_\_\_

I will start \_\_\_\_\_ back up

I will start believing \_\_\_\_\_ about myself

I will stop believing \_\_\_\_\_ about myself

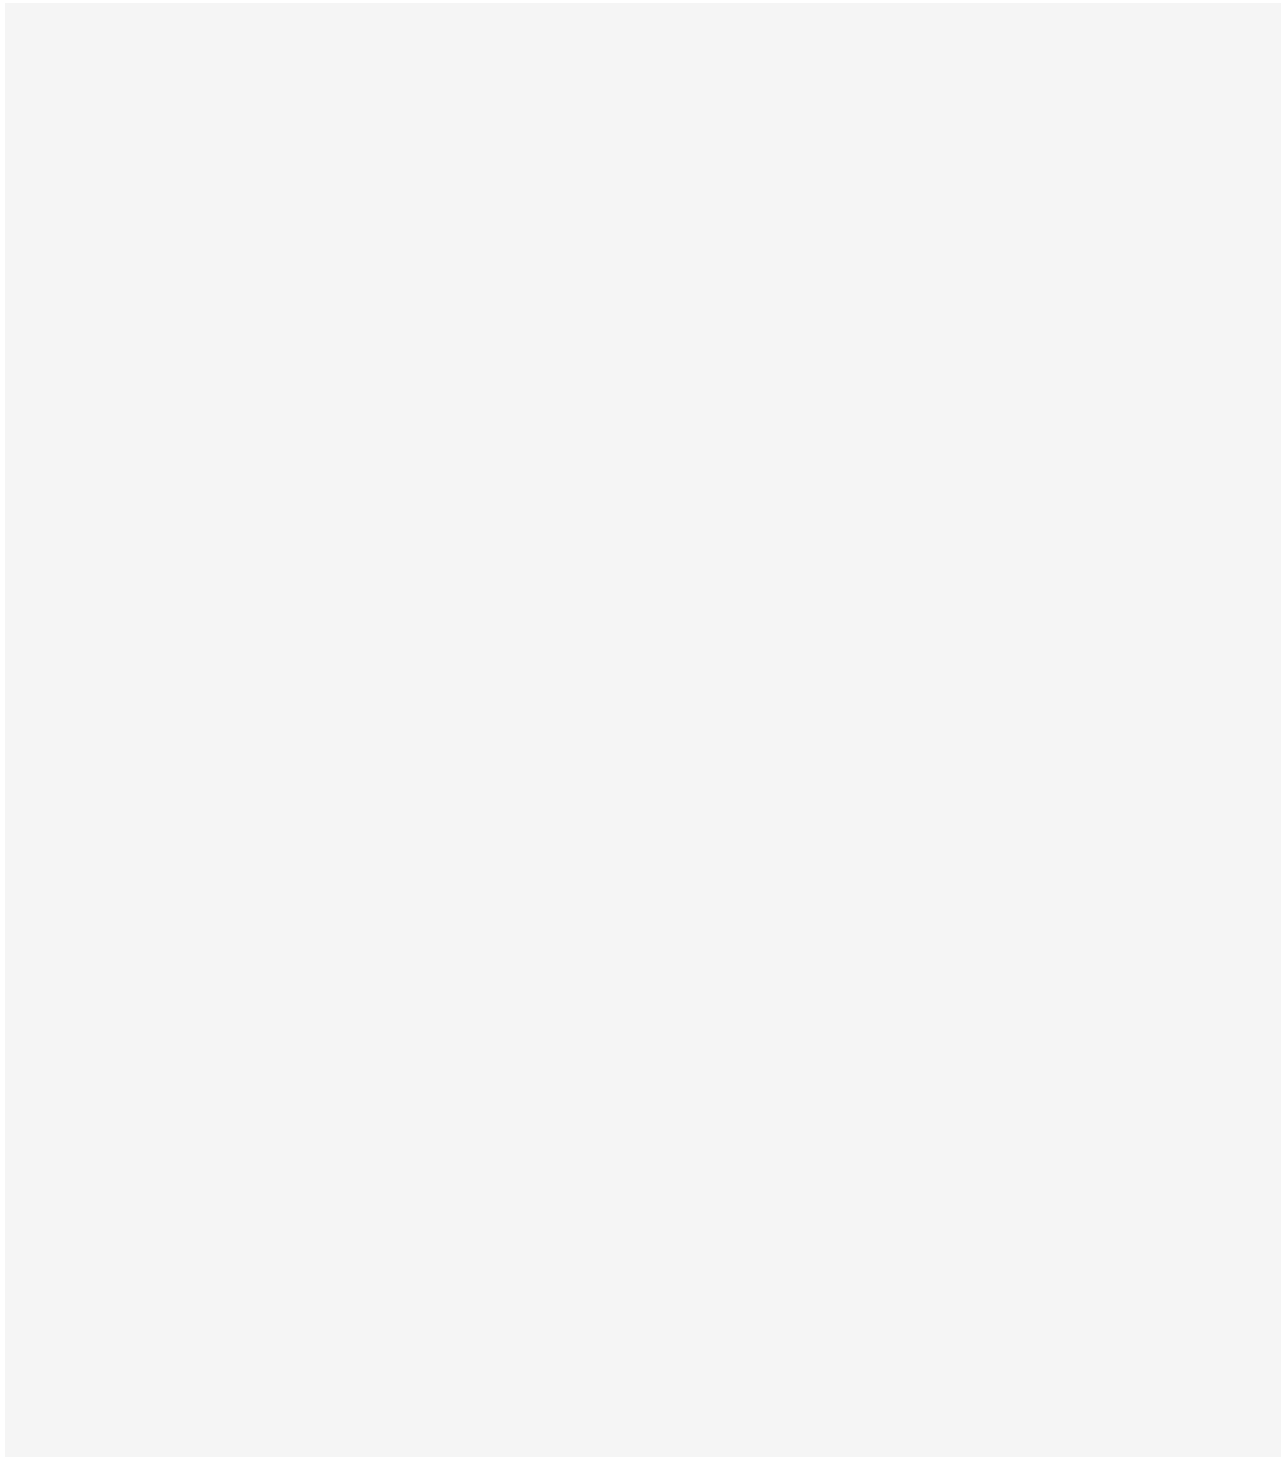

I will pray for \_\_\_\_\_

I will finish \_\_\_\_\_

I will start the habit of \_\_\_\_\_

# Dreaming with God

Here is more space for you to dream. This will give you freedom to speak with the Holy Spirit. Write or draw the overflow of what He is speaking to you.

Declarations cause a collision of two realms. There is something to the unseen realm where, when there is a confession, declaration or proclamation, it releases the invasion of God to repair a human ailment. The prescription is not always to pray, fight, or march around a wall, but sometimes it is simply to sing. He answers prayers. Declarations and praise causes breakthrough.”
